

CamelionB

Camelion B (CAPRICORN) is a 42.50m motor yacht, custom built in 2003 by Proteksan Turquoise in Turkey (Turkey). She was last refitted in 2005.

Yacht Camelion B is a stable and seaworthy motor yacht with a spacious interior layout as well as plenty of deck surface for guests, tenders and toys. Whilst being a serious 'deep sea blue water yacht' her two 2285HP MTU 12V 396 TE94 diesel engines push her to a top speed of 22kts so you can travel quickly and safely between destinations. Naval architect and stylist Paolo Caliarì designed the superyacht CAPRICORN's superstructure to sit well forward.

Camelion B 's hull is made from Aluminium. Camelion B is capable of 23.00 knots flat out, with a cruising speed of 22.00 knots from her 54,000.00l. fuel tanks.

Camelion B offers accommodation for up to 12 guests in 6 suits comprising 1 owner cabin, 1 VIP cabins, 1 twin cabin. She is also capable of carrying up to 7 crew onboard to ensure a relaxed luxury yacht experience.
